Popular Film and Television Comedy (Popular Fictions Series)

Frank Krutnik, Steve Neale

Popular Film and Television Comedy (Popular Fictions Series) Frank Krutnik, Steve Neale
Steve Neale and Frank Krutnik take as their starting point the remarkable diversity of comedy's forms and modes - feature-length narratives, sketches and shorts, sit-com and variety, slapstick and romance. Relating this diversity to the variety of comedy's basic conventions - from happy endings to the presence of gags and the involvement of humour and laughter - they seek both to explain the nature of these forms and conventions and to relate them to their institutional contexts. They propose that all forms and modes of the comic involve deviations from aesthetic and cultural conventions and norms, and, to demonstrate this, they discuss a wide range of programmes and films, from *Blackadder* to *Bringing up Baby*, from *City Limits* to *Blind Date*, from the *Roadrunner* cartoons to *Bless this House* and *The Two Ronnies*. Comedies looked at in particular detail include: the classic slapstick films of Keaton, Lloyd, and Chaplin; Hollywood's 'screwball' comedies of the 1930s and 1940s; *Monty Python*, *Hancock*, and *Steptoe and Son*. The authors also relate their discussion to radio comedy.
