**The Idiot (Oxford World's Classics)** Fyodor Dostoevsky, Alan Myers, William Leatherbarrow

Into a compellingly real portrait of nineteenth-century Russian society, Dostoevsky introduces his ideal hero, the saintly Prince Myshkin. The tensions subsequently unleashed by the hero's innocence, truthfulness, and humility betray the inadequacy of his moral idealism and disclose the spiritual emptiness of a society that cannot accommodate him. Myshkin's mission ends in idiocy and darkness, but it is the world that is rotten, not he.

Written under appalling personal circumstances when Dostoevsky was travelling in Europe, *The Idiot* not only reveals the author's acute artistic sense and penetrating psychological insight, but also affords his most incisive indictment of Russia's struggling to emulate contemporary Europe and sinking under the weight of Western materialism.

This new translation by Alan Myers is meticulously faithful to the original and has a critical introduction by W. J. Leatherbarrow.

**ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. #### **Roger Borquez:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore ,

this *The Idiot* (Oxford World's Classics) can make you experience more interested to read.
