## **The Perfect Teacher Coach** Terri Broughton

Many schools are now recognising that using a coaching model is the very best way to make sustainable improvements in the standard of teaching and learning across all departments. The Perfect Teacher's Coach presents a simple and practical guide to making coaching work well in your school in order to deliver consistently high standards. This is ever more important with Ofsted increasing the number of lesson observations and 'evaluation of teaching and learning' providing a key performance indicator, alongside student outcomes. Everything you need to know about what coaching is and how it works is provided in this book. This includes details of various models of coaching and how to implement a successful model suitable for your school, training your coaches and ensuring you have a sustainable performance management process that really works.
