A Simple Guide to Socratic Parenting (Simple Guides) Laurie Gray

Learn how your children can benefit from the powerful, compassionate, and effective techniques of Socratic parenting in this guide that draws from ancient wisdom to create a new paradigm for modern parents.

Showing how to apply the Socratic method to parenting, this book focuses on developing a personal parenting philosophy and sharing that philosophy with your child through dialogues, asking open-ended questions, and modeling the behavior you want to see in your child. While traditional punishment and reward techniques may condition desired behaviors, parents who develop their own self-discipline and critical-thinking skills will naturally encourage their children to become self-disciplined, independent thinkers.
