## **Antigone** Sophocles

Among the most celebrated plays of ancient Athens, *Antigone* is one of the seven surviving dramas by the great Greek playwright, Sophocles, now available from Harper Perennial in a vivid and dynamic new translation by award-winning poet Robert Bagg. Powerfully portraying the clash between civic and familial duty—between morality and obedience—the play brings the Oedipus Cycle to a conclusion with the story of the tragic hero's eldest daughter *Antigone*, who courts her own death by defying the edict of Thebes's new ruler, her uncle Kreon, which forbids giving her dishonored brother a proper burial. This is Sophocles, vibrant and alive, for a new generation.
