**¿Cómo salir de la trampa del lento crecimiento y alta desigualdad? (Spanish Edition)** Jaime Ros Bosch  
Desde hace ya tres décadas la economía mexicana se encuentra en una trampa de lento crecimiento con alta desigualdad. Se trata de una trampa en el sentido de que el propio lento crecimiento interactúa con sus determinantes para mantener la estabilidad de un "equilibrio de bajo nivel". Esta obra aboga por una reorientación de la estrategia de desarrollo y la necesidad de políticas públicas que promuevan el crecimiento y simultáneamente reduzcan la desigualdad social.

Colección: "Grandes problemas", coeditada por la Universidad Nacional Autónoma de México y El Colegio de México.
