Flightless Bird Bret Bucci

Sage Barnaby never asked for this soulless and friendless existence, but despite being unwelcome, the darkness found her and made her its companion. When her sister fell sick Sage became desperate, so she turned to the one malevolent thing that could reverse her sister's fate, but she was cheated.

In a final effort for redemption, Sage summons her guardian angel, which just happens to be the most beautiful and arrogant creature in Heaven and Hell. They embark on a grim and twisted journey to uncover a sacred object that might have the power to save her soul. Sage and the angel face a series of challenges that test their loyalty and their morality, and together, they come to discover that their quest decide more than Sage's fate alone.

Sage Barnaby gave up everything to save her sister, but she died anyway. Now she has nothing left to lose, and that makes her very, very dangerous.

“This powerful first novel tells a riveting and supernatural story of angelic forces pitted against the power of the devil. An intimate account of betrayal and salvation that requires no translation to engage us.”

— Anthony Laurino, retired publishing executive at Penguin

“If any young writer knows how to channel the traditions of gothic fantasy and horror to spin an elegant tale full of beauty and bad things, it's Bret Bucci.”

— Kenny Herzog, Pop-Culture Critic

From reader reviews:

Holly Taylor:

Within other case, little individuals like to read book Flightless Bird. You can choose the best book if you appreciate reading a book. Providing we know about how is important a book Flightless Bird. You can add know-how and of course you can around the world by the book. Absolutely right, since from book you can understand everything! From your country until foreign or abroad you may be known. About simple factor until wonderful thing it is possible to know that. In this era, we can open a book as well as searching by internet system. It is called e-book. You should use it when you feel uninterested to go to the library. Let's go through.

Ross Larson:

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write for their book. One of them is this Flightless Bird.

Shannon Thompson:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Flightless Bird, it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.

Kenneth Hoy:

A lot of reserve has printed but it differs from the others. You can get it by online on social media. You can choose the very best book for you, science, witty, novel, or whatever simply by searching from it. It is known as of book Flightless Bird. You can contribute your knowledge by it. Without leaving the printed book, it may add your knowledge and make an individual happier to read. It is most important that, you must aware about publication. It can bring you from one destination for a other place.
