## The Global-Warming Deception: How a Secret Elite Plans to Bankrupt America and Steal Your Freedom Grant R. Jeffrey

*Global warming's hidden agenda: a global socialist government*

The worldwide effort to combat manmade global warming is history's most far-reaching hoax. In *The Global-Warming Deception*, Grant R. Jeffrey documents the orchestrated campaign of political pressure, flawed science, and falsified data—all designed to sell an environmental lie and bring the West to its knees.

United Nations agencies use the threat of rising ocean levels, crop failure, expanding deserts, and the extinction of species to convince western nations to surrender their sovereignty. As these developments play out, we see the globalists consolidating their power.

In *The Global-Warming Deception*, you will find proof that:

- Laws and regulations to reduce carbon emissions are designed to destroy the free-enterprise system and drain wealth from western nations.
- The religion of eco-fundamentalism denies the existence of God and substitutes in His place the worship of the earth.
- The coming economic collapse, hastened by global-warming laws, will lead to international chaos. A one-world government will be presented as the solution, followed by the arrival of the Antichrist.

Your liberty is at stake. Now is the time to learn all you can about the socialist-Marxist elite that is advancing the false threat of global warming—the most deadly deception in history.
