## **Trauma and Evil: Healing the Wounded Soul** J. Jeffrey Means

This book helps those who provide care to victims of abuse and violence add to their knowledge base an understanding of evil. The authors "demythologize" evil and offer an integrated perspective that looks within persons, relationships, and culture to better identify the seeds of potential abuse and violence. The book encourages caregivers to take an actively prophetic role in addressing the seeds of abuse that lie within each one of us and our culture.
