Le financement des politiques publiques (Finances publiques - Public finance) (French Edition)

Marc Leroy, Gilbert Orsoni

Le financement des politiques publiques (Finances publiques - Public finance) (French Edition) Marc Leroy, Gilbert Orsoni

Ce manuel propose pour la première fois une **approche comparative du financement des politiques publiques**. Après une présentation générale des instruments fiscaux et budgétaires, il expose pour chaque politique sectorielle en France et pour chacun des 12 autres pays retenus : les volumes et les types de ressources et de dépenses, l'évolution des enjeux et des priorités, les grandes réformes, le cadre juridique lié à la répartition des compétences, l'impact du contexte et de la crise internationale, les procédures et les outils de gestion, l'évaluation des résultats, les perspectives.

L'ouvrage permet d'accéder à un ensemble significatif de données, d'informations et **d'analyses croisant les finances et les politiques publiques**. Il suscite aussi une réflexion sur les choix politiques de l'État et des autres administrations publiques, les modes de gouvernement et les instruments de l'action publique dans le contexte de la crise internationale.

Illustrées par des tableaux et schémas qui en facilitent la lecture, ces études didactiques s'adressent aux praticiens, aux décideurs, aux enseignants et aux chercheurs, mais aussi à tous les citoyens curieux de connaître les clés financières de l'action publique.
