Steve Sheinkin

**Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War (Bccb Blue Ribbon Nonfiction Book Award (Awards))** Steve Sheinkin

**A 2015 National Book Award Finalist, reviewed in *The Washington Post*, as well as featured on the *Publishers Weekly* "Best Books of 2015" list.**

From Steve Sheinkin, the award-winning author of *The Port Chicago 50* and Newbery Honor Book *Bomb* comes a tense, narrative nonfiction account of what the Times deemed "the greatest story of the century": how whistleblower Daniel Ellsberg transformed from obscure government analyst into "the most dangerous man in America," and risked everything to expose a government conspiracy.

On June 13, 1971, the front page of the *New York Times* announced the existence of a 7,000-page collection of documents containing a secret history of the Vietnam War. Known as The Pentagon Papers, these files had been commissioned by Secretary of Defense Robert McNamara. Chronicling every action the government had taken in the Vietnam War, including an attempt by Nixon to foil peace talks, these papers revealed a pattern of deception spanning over twenty years and four presidencies, and forever changed the relationship between American citizens and the politicians claiming to represent their interests. The investigation--and attempted government coverups--that followed will sound familiar to those who followed the scandal surrounding Edward Snowden.

A provocative and political book that interrogates the meanings of patriotism, freedom, and integrity, *Most Dangerous* further establishes Steve Sheinkin as a leader in children's nonfiction.
