Planet Janet

Dyan Sheldon

Planet Janet Dyan Sheldon

In the spirit of BRIDGET JONES'S DIARY - for the younger set - comes this hilarious chronicle of teenage angst from the author of CONFESSIONS OF A TEENAGE DRAMA QUEEN and MY PERFECT LIFE.

With a Mad Cow for a mother, an eccentric psychotherapist for a father, and a dweeble for an older brother, it's no wonder sixteen-year-old Janet Bandry is ready to enter the Dark Phase of her life. As this determined British teenager sees it, the DP requires dressing in black, listening to jazz when she can find the right radio station, and thinking about Deep and Meaningful Things - when she isn't thinking about boys, what color to dye her hair, or whether her nose piercing is infected. Told in diary entries with a comical dose of melodrama, Planet Janet shares the painfully funny travails of a winning new heroine who just knows she is destined for greatness.

From reader reviews:

Wilda Alexander:

As people who live in often the modest era should be upgrade about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Planet Janet is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Louis Hartford:

Spent a free a chance to be fun activity to do! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Might be reading a book might be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the publication untitled Planet Janet can be excellent book to read. May be it may be best activity to you.

Federico Hayward:

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV the whole day. You can have new activity to spend your whole day by examining a book. Ugh, you think reading a book will surely hard because you have to take the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like Planet Janet which is getting the e-book version. So , try out this book? Let's notice.

Steven Evans:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Planet Janet can make you truly feel more interested to read.
