## **BROTHERS IN ARMS**

Joseph and Liam Carrigan may have the same strong Irish blood running in their veins, but the similarity ends there. Where Joseph is level-headed and forthright, Liam is temperamental and roguish. After fighting on opposing sides in the Civil War, they reunite to head west in search of a better life and an enigmatic, long-lost uncle who disappeared years earlier.

But their journey will not be an easy one. Not only must they contend with the dangers of both man and nature on the untamed frontier, but also with the never-ending sibling rivalry that once tore them apart -- and a menacing, shadowy figure who's on their trail, marking the Carrigan brothers' every move, waiting for the moment to strike....

From Cameron Judd, the Spur Awardnominated author of *The Overmountain Men* and *Crockett of Tennessee*, comes a new series steeped in the traditions of the Old West: courage, honor, and nonstop adventure.

#### Justin Mireles:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Shootout in Dodge City (Carrigan Brothers Book 1) can make you truly feel more interested to read.
