In *The Fisherman's Guide to Selling*, DiMisa explains strategies used for catching everything from small fish (frequent transactional sales) to big game fish (a GBP 100k+ account). Handy sales tips, useful checklists and a bounty of clever fishing metaphors complement the content to describe a successful sales process that any salesperson will benefit from:

- knowing what the fish (clients) are biting
- keeping the tackle box full
- casting a wide net and checking the lines
- and preparing for rough seas ahead
