The single dad's midwife bride

When Misty Buchanan saved the life of Dr. Ben Moore, she knew she would never forget the brooding single dad and the moment of tenderness they shared. So the midwife locked their brief encounter away in her daydreams and set off for a new life in Lyrebird Lake. She didn't expect to see his beautiful blue eyes ever again.

Struggling to cope with his daughter alone, Ben has also moved to Lyrebird for a fresh start as the local doctor. In this magical setting, Misty and Ben rekindle that brief special moment—something they wish they could hold on to forever. Together, can they mend Ben's broken family, or is it too late?
