The Minimum Core for Information and Communication Technology: Knowledge, Understanding and Personal Skills: Knowledge, Understanding and Personal Skills (Achieving QTLS Series) Alan Clarke

The teacher training framework, introduced in September 2007, requires all teachers in the post-16 sector to possess knowledge, understanding and personal skills to at least level 2 in the minimum core for ICT.

Coverage and assessment of the minimum core have to be embedded in all Certificate and Diploma courses leading to QTLS and ATLS status. This book is a practical guide to ICT for trainee teachers in the Lifelong Learning Sector. It enables trainee teachers to identify and develop their own ICT skills and to support their students in ICT.
