Wish Upon a Star

Trisha Ashley

Wish Upon a Star Trisha Ashley

A wonderful warm festive treat from Sunday Times bestseller Trisha Ashley.

Single mum Cally's life is all about her little girl Stella. She's resigned to the fact that the only romance she's going to get is from the rom-coms she watches and with her busy job and her daughter; she doesn't have time to even think about love.

But when Stella gets sick, and Cally is forced to move in with her mother in the remote village of Sticklepond, to save money for Stella's operation, Cally realizes how tough it can be to go it alone. Still, the last thing Cally wants to do is fall in love. All she wants is a Christmas miracle to save Stella. Can laid-back, charming Jago unlock Cally's frozen heart and show her that the best gifts aren't always found under the tree?

A gorgeous festive treat, perfect for fans of Katie Fforde and Jill Mansell

From reader reviews:

Jennifer Vickery:

The actual book Wish Upon a Star will bring you to the new experience of reading a new book. The author style to clarify the idea is very unique. If you try to find new book you just read, this book very suitable to you. The book Wish Upon a Star is much recommended to you to study. You can also get the e-book in the official web site, so you can easier to read the book.

John Davis:

This Wish Upon a Star is great reserve for you because the content which is full of information for you who always deal with world and also have to make decision every minute. This specific book reveal it info accurately using great arrange word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having Wish Upon a Star in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no publication that offer you world inside ten or fifteen small right but this book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Patricia Koop:

Is it you who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Wish Upon a Star can be the answer, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Sam Nielsen:

A lot of book has printed but it differs. You can get it by net on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever by means of searching from it. It is called of book Wish Upon a Star. You can add your knowledge by it. Without leaving the printed book, it might add your knowledge and make an individual happier to read. It is most significant that, you must aware about publication. It can bring you from one place to other place.
