Busted in the Biker Den (Gay M/M Steamy Alpha Biker Multiple Encounter) Lance Abrusco

It was exactly what Justin was looking for. A free ride, room and board in Daytona during Spring Break. He couldn't wait to spend a week filled with sun, surf, parties, and loads of sexy hot men he could finally lose his **virginity** to.

One problem. In order to secure his spot on the way there, he had to satisfy a petty college house request- steal something from the local biker club and bring it back.

Justin's poorly planned break and enter into the biker's lair gets him busted. But after they have a good long look at his **pure untouched body**, they want him to stay for play. And why would he want to leave anyway? To hell with Spring Break when there are **five hot tattooed musclebound bikers** ready to provide his eager inexperienced body with the pleasure he so desperately desires! These men have no problem showing Justin what happens to a naïve college boy when he sneaks into their territory and takes something without permission. He's going to want it **hard, fast and with no protection**.
