Somewhere on the train is a key witness for a crime involving arson, murder and a high-profile businessman. And reporter Marni Clare will do whatever it takes to get the story—even if it means crashing in a sleeper car that she's not sure she's reserved. But when she wakes, she finds herself curled up with the man she's seeking...and he's hot enough to derail all her plans!

FBI special agent Hunter won't complain about the wickedly hot blonde in his arms. And maybe it's the medication he's on, but he's even agreed to share his room for the entire journey....

It's a long trip in close quarters, and within days their berth becomes the scene of some steamy railway romps. But is Marni just having fun...or is she taking Hunter for a ride?

**Reader favorite *Coming On Strong*:** Runaway bride Belle Forsham intends to win her groom back—and she's going to start by showing him *exactly* what he's been missing....
