Can Shadowman use his powers to save his new-found sister along with the people of New Orleans from the Soul-Freezer?

Whenever shadows fall, something evil in the night throws open the doorway to Jack Boniface's soul and he becomes ... Shadowman, a supernatural hero who hunts down the many villains from New Orleans' Deadside. Now Jack faces his ultimate test in the form of the sinister Dr. Atracius, AKA the Soul-Freezer, a super-mad magician and scientist who has found a way to freeze souls and turn the living into slave puppets with no will of their own. When Jack learns he has a sister he never knew about, a New York jazz singer and latent telepath who has been lured to New Orleans by Master Darque and the Brethren, he knows he must learn more about the origin and nature of his Shadowman powers, or else his family, indeed all of New Orleans, is lost.
