Taylor Palmetta has spent the past year in Europe building her art career and hiding from Navy SEAL Quinn Lambert, the man who broke her heart. But Taylor can't seem to hide from trouble. When Taylor seeks safety with her family in Virginia Beach, a series of threats puts her on high alert—and puts Quinn into protective mode. Despite the private loss that continues to haunt him, Quinn can't deny his renewed attraction to Taylor. But just as the romance heats up, a plot against the very foundation of the American way of life surfaces, and Taylor's paintings may hold the key. The Saint Squad is back in action as the team frantically tries to protect their nation's security—and Taylor and Quinn search for courage to unlock the troubled past.
