The Three Motives for Murder Michelle Perry

The small town of Coalmont, Tennessee is shattered when a car crash on graduation night leaves three of its teenagers dead and another three fighting for their lives. Four years later, the aftershocks still ripple through the town, and no one feels them more than Natasha Hawthorne, the young driver. When someone targets the survivors of the horrific crash for murder, the obvious motive is revenge. But things aren't always what they seem, and the notion of revenge served cold doesn't ring true with Brady Simms, newly appointed police chief. To make things even more difficult, Brady ultimately finds himself standing squarely between the killer and his next victim, the woman who broke his heart four years ago. As the killer escalates his attacks, Brady's only hope of saving the intended victims is to get into the mind of a sociopath. When the relative of the first victim makes a startling revelation, Brady reopens the investigation and what he finds will change all of their lives forever.
