Judith: A Novel

Lawrence Durrell

Judith: A Novel Lawrence Durrell

A breathtaking novel of passion and politics, set in the hotbed of Palestine in the 1940s, by a master of twentieth-century fiction

It is the eve of Britain's withdrawal from Palestine in 1948, a moment that will mark the beginning of a new Israel. But the course of history is uncertain, and Israel's territorial enemies plan to smother the new country at its birth. Judith Roth has escaped the concentration camps in Germany only to be plunged into the new conflict, one with stakes just as high for her as they are for her people.

Initially conceived as a screenplay for the 1966 film starring Sophia Loren, Lawrence Durrell's previously unpublished novel offers a thrilling portrayal of a place and time when ancient history crashed against the fragile bulwarks of the modernizing world.

This ebook features an introduction by editor Richard Pine, which puts *Judith* in context with Durrell's body of work and traces the fascinating development of the novel. Also included is an illustrated biography of Lawrence Durrell containing rare images and never-before-seen documents from the author's estate and the British Library's modern manuscripts collection.

From reader reviews:

Suzanne Cicero:

Nowadays reading books be than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want experience happy read one with theme for entertaining like comic or novel. The actual Judith: A Novel is kind of guide which is giving the reader unstable experience.

Richard Martinez:

Spent a free time to be fun activity to try and do! A lot of people spent their spare time with their family, or all their friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Can be reading a book may be option to fill your free of charge time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the e-book untitled Judith: A Novel can be very good book to read. May be it can be best activity to you.

Kimberly Franks:

This Judith: A Novel is great e-book for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it info accurately using great manage word or we can say no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having Judith: A Novel in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen second right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Duane Vega:

A lot of people said that they feel bored when they reading a book. They are directly felt this when they get a half regions of the book. You can choose often the book Judith: A Novel to make your reading is interesting. Your current skill of reading expertise is developing when you like reading. Try to choose basic book to make you enjoy to study it and mingle the sensation about book and looking at especially. It is to be initially opinion for you to like to open up a book and examine it. Beside that the book Judith: A Novel can to be your friend when you're sense alone and confuse with what must you're doing of their time.
