Masonería, Iglesia, Revolución e Independencia (Spanish Edition)

José Antonio Ferrer Benimeli

Masonería, Iglesia, Revolución e Independencia (Spanish Edition) José Antonio Ferrer Benimeli
Gran desconocida de la historia, la masonería ha suscitado y suscita inquietud, reservas y oposición. Desde los constructores de catedrales hasta los masones contemporáneos defensores de la fraternidad universal, la masonería, sociedad iniciática y secreta, ha tenido serios problemas sociales, políticos y religiosos. Este estudio analiza, en una primera parte, las causas y consecuencias del enfrentamiento entre la Iglesia católica y la masonería desde la primera condena pontificia en 1738 hasta la publicación del actual Código de Derecho Canónico de 1983. En una segunda parte es un acercamiento a la historia de la masonería en cuanto escuela de formación humana, con especial énfasis en la del siglo XVIII, y su presencia o ausencia tanto en la preparación y desarrollo de la Revolución Francesa como en la Independencia de las Américas y el real o presunto protagonismo desempeñado por la masonería a través de los Libertadores y las logias Lautaro. Como dice el actual Gran Maestro de la Gran Logia de España en el posfacio: "este es un libro que aporta luz sobre las relaciones entre la masonería, la Iglesia, la Revolución Francesa y la Independencia de América. Lo hace con serenidad y objetividad, rompiendo mitos e ideas preconcebidas".
