## **Sulphur River** Art Anthony

As the Civil War draws to a close, the desperate Confederate army drafts fifteen-year-old Art Logging in place of his dying father. Sulphur River follows Art and his friend Darrell Stroud through their service in the Red River campaign and into their journey to make men of themselves. Art's keen eye for business opportunities in the midst of a crumbling nation and Darrell's resourceful support could set both boys up for a comfortable life in Northeast Texas. If only it were that simple. Art and Darrell aren't the only ones looking to take advantage of chaos in the South in the mid-1860s. They must navigate their cotton, cattle, and horses around Confederate deserters, a crooked lawyer, and their own passions to reach the markets where they are most likely to make a profit. The boys find natural allies among neighboring farmers and a few unnatural allies in escaped slaves, Indians, and even Union soldiers. Author Art Anthony has loaded Sulphur River with research into the history, culture, and economics of the eastern edge of the Old West. Those interested in Civil War history or pioneer stories will especially appreciate the adventures of Art Logging. This is an eLIVE book. Each printed copy contains a special code redeemable for the free download of the audio version of the book.
