The Supernatural: Making Room for the Power of God A. B. Simpson

The Supernatural by A.B. Simpson is a book about the power of God in the life of the believer. A. B. Simpson not only talked about it, but he wrote and preached about it too. In this book, *The Supernatural*, A.B. Simpson writes a prophetic warning that is just as relevant today as it was over a century ago.

Christians must take a look at God and realize it is Christ who created the heavens and the earth, the universe and all that it contains with just single words. We as His followers must pen our eyes to that which is beyond us and to what His Presence has given us. We cannot contain Him in his infinite power and magnificent authority. A.B. Simpson points out that God never speaks at random but does so to the point and to the times. A B Simpson wants us to ask ourselves, if the power of God has been crowded out of your life? It is no coincidence! Satan wants us to distrust whatever we cannot see, hear, touch, taste, or smell. Let Simpson open your eyes to a world beyond the rational to a real presence that cannot be seen.
