Dragon in Chains Daniel Fox

From award-winning author Daniel Fox comes a ravishingly written epic of revolution and romance set in a world where magic is found in stone and in water, in dragons and in men—and in the chains that bind them.

Deposed by a vicious usurper, a young emperor flees with his court to the small island of Taishu. There, with a dwindling army, a manipulative mother, and a resentful population—and his only friend a local fishergirl he takes as a concubine—he prepares for his last stand.

In the mountains of Taishu, a young miner finds a huge piece of jade, the potent mineral whose ingestion can gift the emperor with superhuman attributes. Setting out to deliver the stone to the embattled emperor, Yu Shan finds himself changing into something more than human, something forbidden.

Meanwhile, a great dragon lies beneath the strait that separates Taishu from the mainland, bound by chains that must be constantly renewed by the magic of a community of monks. When the monks are slaughtered by a willful pirate captain, a maimed slave assumes the terrible burden of keeping the dragon subdued. If he should fail, if she should rise free, the result will be slaughter on an unimaginable scale.

Now the prisoner beneath the sea and the men and women above it will shatter old bonds of loyalty and love and forge a common destiny from the ruins of an empire.

From the Trade Paperback edition.

From reader reviews:

Ellen Jones:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a wander, shopping, or went to often the Mall. How about open or perhaps read a book titled Dragon in Chains? Maybe it is being best activity for you. You understand beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with it has the opinion or you have other opinion?

Larry Parrish:

Book is written, printed, or highlighted for everything. You can recognize everything you want by a publication. Book has a different type. As we know that book is important factor to bring us around the world. Adjacent to that you can your reading talent was fluently. A guide Dragon in Chains will make you to end up being smarter. You can feel more confidence if you can know about anything. But some of you think in which open or reading any book make you bored. It's not make you fun. Why they can be thought like that? Have you searching for best book or suitable book with you?

Richard Pease:

The book Dragon in Chains can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book Dragon in Chains? A few of you have a different opinion about reserve. But one aim which book can give many information for us. It is absolutely right. Right now, try to closer with your book. Knowledge or data that you take for that, you could give for each other; you can share all of these. Book Dragon in Chains has simple shape but you know: it has great and massive function for you. You can search the enormous world by wide open and read a guide. So it is very wonderful.

Loren Hatmaker:

Here thing why this specific Dragon in Chains are different and trustworthy to be yours. First of all reading a book is good but it really depends in the content of computer which is the content is as scrumptious as food or not. Dragon in Chains giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with Dragon in Chains. It gives you thrill looking at journey, its open up your own eyes about the thing that happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your method home by train. If you are having difficulties in bringing the branded book maybe the form of Dragon in Chains in e-book can be your option.
