The Boss is his own fascinating and hard-hitting account of how he has survived and flourished in the turmoil of what has become a multi-million pound business. Gregory is never anything but honest, revealing his pain, frustration, joy and sadness at some of the most crucial moments of his career. From the highs of riding the top of the Premier League and leading his team out for the FA Cup Final at Wembley in 200 to the lows of tumbling down the same League and dealing with some of the most difficult situation in which any manager could find himself. The Boss is a rollercoaster ride through the sometimes crazy world of football management at the top level.
