Marmaduke's not like all the other dragons - his ears are too big and he never even *tries* to fly. He just doesn't fit in, however much he wants to, and so he feels terribly lonely.

And Princess Meg? Well, she wears trainers and breaks into dance at the most inappropriate of times, which means that she sticks out like a sore thumb. She doesn't really have any friends, but then she's far too busy having fun to notice . . . Until one day when Marmaduke and Meg's lives collide in the most exciting, brilliant and surprising way and they both realise just how much they need each other.

And, who knows, maybe a princess and a dragon will make the most perfect best friends.

Brilliantly read by Lenny Henry. Please note that audio is not supported by all devices, please consult your user manual for confirmation.
