Rejas rotas (Spanish Edition) Luis Carlos Sainz

Fugas, traición e impunidad en el sistema penitenciario mexicano.

Periodismo de urgencia que pone al descubierto la podredumbre del sistema carcelario mexicano.

En México, cualquiera puede huir de una cárcel, siempre y cuando cuente con los recursos que suelen aceitar los goznes de las rejas, alimentar los bolsillos de la autoridad y propiciar las corruptelas...

Así como se descompuso el país entero por la violencia en la última década, México traspuso todos los límites imaginables que se compendian en aquella frase de que las cárceles eran "universidades del crimen". Se pasó de aquella idílica concepción de una especie de didáctica del hampa al pleno ejercicio de todo tipo de delitos perpetrados detrás de las rejas: crímenes arteros; control del mercado para el trasiego de drogas; ejes con tecnología telefónica para la extorsión y el secuestro; control de trata de personas; pornografía infantil...

A partir de la lectura de expedientes y de visitas constantes a los penales, Luis Carlos Sáinz describe descarnadamente el descontrol y la corrupción que se han enseñoreado en los penales del país. Gracias a la acuciosidad y solvencia profesional del autor, por primera vez hoy contamos con un libro que documenta puntualmente las fugas carcelarias, con especial atención en las historias del penal de Puente Grande, conocido por la vox pópuli como "Puerta Grande" tras la evasión del Chapo Guzmán en 2001.
