The Heir's Chosen Bride (Castle at Dolphin Bay) Marion Lennox

As a widow and single mom, Susan is wary about meeting the man who has just inherited the rambling castle in Australia where she and her small daughter live. Surely New York financier Hamish Douglas will want to sell up?

Hamish had planned to turn the castle into a luxury hotel — until he met the beautiful Susie. He might see everything as a potential business deal, but even he couldn't deny the attraction between them. Nor could he evict her and her baby from their beloved home. For Hamish, surely marriage was the only sensible solution?

But Susie is the last person who will accept a marriage proposal just because it's "sensible." If Hamish wants to marry her, he'll have to prove he loves her first!
