They Shot Phar Lap, Didn't They? Peter Thompson, Geoff Armstrong

Phar Lap's rise to greatness in 1930 triggered extraordinary excitement across Australia—but it also spooked bookmakers, who faced ruin if the wonder horse won the Melbourne Cup. Rumours were swirling: would Phar Lap be stopped, whatever the cost? *They Shot Phar Lap, Didn't They?* starts with a scene straight out of a Raymond Chandler whodunit, as two shadowy figures, one armed with a shotgun, try to assassinate Phar Lap on a quiet suburban backstreet. With his life in peril, the champion is spirited away to a secret location, while one of the city's most famous detectives leads the hunt for the culprits. On Cup Day, an hour before the jump, Phar Lap's whereabouts remain a mystery to the public. Finally, he arrives at the track, a huge crowd cheering him on. The police have been told to 'have their men along the rails' because the perpetrators of Saturday's attack intend to strike again. But was the 'shooting' all that it seemed? Only one thing is certain — after all he'd been through, it would take a phenomenal performance for Phar Lap to win this Cup.

From reader reviews:

William Petterson:

Reading a book tends to be new life style on this era globalization. With examining you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story or even their experience. Not only situation that share in the guides. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this They Shot Phar Lap, Didn't They?.

Helen Williams:

Reading a book being new life style in this yr; every people loves to examine a book. When you go through a book you can get a lot of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and soon. The They Shot Phar Lap, Didn't They? will give you new experience in reading through a book.

Clifford Harris:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to invest your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to accept the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Mobile phone. Like They Shot Phar Lap, Didn't They? which is obtaining the e-book version. So , why not try out this book? Let's see.

Kirk Mathews:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this They Shot Phar Lap, Didn't They? can make you truly feel more interested to read.
