## **Cristianesimo e potere (Forum) (Italian Edition)** Paolo Prodi

«Il potere ha sempre a che fare con il sacro e la grandezza dell'Occidente è consistita soprattutto nel recintare il sacro, non nell'espellerlo come un demone. Questo ha permesso la de-magificazione del mondo e la nascita della politica come tecnica. L'Occidente nella sua storia ha imparato a tenere a bada il sacro senza scacciarlo e questa è la nostra conquista della laicità, conquista che ora è in pericolo sotto il duplice attacco dei fondamentalismi e delle nuove religioni politiche»

Il volume affronta un tema che costituisce il filo rosso di tutta l'indagine dello storico Prodi: una ricerca dedicata a mettere in luce come la caratteristica della civiltà europea sia la peculiare divisione di ambiti fra Chiesa e Stato. Indagine storica ma insieme riflessione sulle trasformazioni di un presente in cui questo secolare equilibrio pare destinato a spezzarsi.
