Roger Bartra

El mito del salvaje (Tezontle) (Spanish Edition) Roger Bartra

Este volumen reúne por primera vez dos obras fruto de una intensa investigación antropológica y sociológica: *El salvaje en el espejo* y *El salvaje artificial*. En ellas, Roger Bartra analiza las representaciones iconográficas y las expresiones literarias de este mito, y articula perfectamente una idea que recorre de principio a fin la historia de nuestra civilización y configura la identidad del salvaje europeo: todo progreso cultural y político de Occidente, todo hito de la sociedad europea, ha tenido como contrapunto a un salvaje que mora en las fronteras de la civilidad. Este libro es un viaje arriesgado por el mundo de unos extraños seres que moran en el bosque de nuestra imaginación.
