You have the vision. Now you have the means to achieve it. Written by two experts from the University of Michigan Business School, this book outlines a proven five-step process for achieving the organizational imperatives you want in a systematic fashion you can follow. The authors offer field-tested guidance on how to focus company-wide efforts on desired outcomes, create a positive working environment that encourages achievement, and practice continuous improvement to sustain and improve operating results. Based on extensive research that includes data gathered from more than 2,000 managers, the book includes a wealth of illustrative case studies, vignettes, and self-assessments that will help you see your way to success.
