Invictus, the god-like sorcerer, has finally been defeated. Torg and Laylah are safe . . . or so it seems . . .

But now the wizard and sorceress face another daunting challenge. Laylah's unborn child is growing abnormally fast--and he wields power even from her womb. A new horror is about to be born into the world. Are all who live on Triken in terrible danger again?

In the climactic conclusion of The Death Wizard Chronicles, Torg and Laylah are forced to fight for their freedom one final time.
