The Legacy of Wildness: The Photographs of Robert Glenn Ketchum John Perlin

The Legacy of Wildness: The Photographs of Robert Glenn Ketchum is the first major retrospective of a world-renowned landscape photographer whose artistry is equaled only by his commitment to the environment.

To activist photographer Robert Glenn Ketchum, art and advocacy go hand in hand. Whether depicting the rugged grandeur of the American countryside or the mournful beauty of virgin wilderness violated by progress, his landscapes reject sentimentality. Instead, they document his deep respect and compassion for our irreplaceable natural resources.

With a preface by Robert Redford and an essay by distinguished ecologist and author John Perlin, *The Legacy of Wildness* is a work of great innovation and integrity.
