Wired: For a Life of Worship Louie Giglio **What You're Wired For**

Athlete or musician, quiet or “the life of the party”—you are unique. There is no one like you on the planet. But your life has a common thread that is true of all people: you are wired for worship. Not just any worship, but for that of your Creator! That’s what this book is about—discovering your purpose and learning how to fulfill it. Geared for teenagers and college students, *Wired* is designed with pages that teach, challenge, and connect as you dig into Scripture and learn about your created purpose. This interactive student edition of *The Air I Breathe* includes a thirty-day worship experience as a guided personal journey that discloses the depth of God’s character and how to know Him more intimately. Ideal for use in small groups, an accompanying leader’s guide is also available.

30 Day Worship Journey

Louie Giglio

Story Behind the Book

“I love teenagers. In fact, while writing this, I’m on my way to spend four days with more than 1500 of them at camp! My passion to see young people awoken to a lifestyle of worship that goes far beyond singing songs, coupled with the need for small-group material, stimulated the idea for *Wired*. I want to equip youth workers with a resource that can be used in small groups, large Bible studies, or Sunday school classes. I pray that *Wired* will encourage teens everywhere to a lifestyle that reflects God’s greatness to the world.”
