## Ask Again Later Liz Czukas

*Sixteen Candles* meets *Sliding Doors* in this hilariously charming and irreverent YA debut. Fans of realistic teen fiction like Lauren Barnholdt's *Two-Way Street* and Sarah Mlynowski's *Ten Things We Did (And Probably Shouldn't Have)* will love *Ask Again Later's* pitch-perfect tale of prom night drama—with a twist.

Heart LaCoeur has zero interest in a messy high-school romance, no matter what her name suggests. That's why she's decided to avoid prom angst by going with a group of single friends. And that's why, when *two* surprise prom invites derail her brilliant plan, Heart takes the only foolproof, drama-free solution: a coin flip—that somehow gives her the chance to live out both prom nights. Heads or tails, where they both end up might be the most surprising thing of all. . . .
