Murder Takes Flight

For Janet MacPhail, photographing retrievers in training is the perfect way to spend an evening. But a photo session at Twisted Lake takes a peculiar turn as Drake, her friend Tom's Labrador, fetches a blood-soaked bag holding an exotic feather and a torn one-hundred-dollar bill.

When one of her photography students turns up dead at the lake, Janet investigates a secretive retreat center with help from Australian Shepherd Jay and her quirky neighbor Goldie. Between dog-training classes, photo assignments, and romantic interludes with Tom, Janet is determined to get to the bottom of things before another victim's wings are clipped for good.
