Laurence Sterne

Tristram Shandy (Spanish Edition) Laurence Sterne

«Una obra rica, ambiciosa, compleja, burlona y poco definible, que valió a su autor en su época tanto fama como denuestos, y en todas las demás épocas hasta hoy conocidas una ardiente admiración: el incomparable ritmo de su prosa, su ingenio inagotable, los inverosímiles juegos de palabras, la complicada estructura narrativa, la negación absoluta de una concepción lineal del tiempo, su vibrante y aguda escritura y su originalísima puntuación, su irónica aplicación a la novela de teorías filosóficas y científicas, su perfecto manejo de la parodia y sus numerosas extravagancias y osadías sintácticas y tipográficas, hablan por sí solos de su modernidad y nos hacen ver como simples imitaciones, ya anticuadas, a demasiadas #originalidades# contemporáneas. Tristram Shandy es mi libro favorito: es, a un mismo tiempo, la novela clásica más cercana al Quijote y a la del siglo en que escribo; tanto su recuerdo como su frecuentación esporádica me producen un indefectible placer; puede abrirse por cualquier página, con asombro y sonrisa siempre. No creo haber aprendido más sobre el arte de la novela que durante su traducción. Sin duda, mi mejor obra.» Javier Marías
