Wulfe Untamed: A Feral Warriors Novel Pamela Palmer

They are called Feral Warriors—an elite band of immortals who can change shape at will. Sworn to rid the world of evil, consumed by sorcery and seduction, their wild natures are primed for release . . .

The most enigmatic and tortured of the Feral Warriors, Wulfe is haunted by the quiet beauty of a human woman who no longer remembers him. Once a captive of both the Mage and the Ferals, Natalie stole a piece of his heart before he took her memories and sent her safely back to her fiancé. But now the Mage are threatening her again, and Wulfe will risk anything to protect her.

Natalie Cash is stunned when she's saved by a wolf who shifts suddenly into a splendidly built, if badly scarred, man, a man with the kindest eyes. Swept into a world of intrigue and danger beyond her comprehension, she turns to the powerful Wulfe, finding a passion she'd only dreamed of. But when time runs out, they must trust one another and surrender to a wild, untamed love.
