Frontier Fury (Executioner) Don Pendleton

A covert airdrop lands Mack Bolan inside the brutal northern Pakistan border territory. From deep within a terrorist cell an informant has leaked crucial information to Stony Man Farm. He knows the location of two of the highest-ranking members of al Qaeda. They are the most wanted men in the world, and they've spent years dodging American troops and plotting further attacks worldwide.

Now Bolan is in hostile territory on a mission to eliminate men who will stop at nothing in pursuit of vengeance. And he faces government troops determined to protect the terrorists. With time running out and the enemy closing in, the Executioner must do what no one else has—settle the score.
