The purpose of this book is simply to help you become more powerful and influential in the life of your child. Sound appealing? The approach is designed to help you focus your time and energy on teaching your kids what you want them to learn. In addition to helping you conserve and best utilize your time and energy, the solution-focused approach is also designed to minimize your child's resistance to hearing and learning from what you have to say. This book isn't about a miracle cure or magic potion that will turn your kids into little beings that hang on your every word, and live to do your bidding. It is simply a model for interacting with them in a way that: Keeps you from getting caught in a power struggle that puts you at odds with children; Shows you how to tap into your children's internal motivation to hear what you have to say as valuable; Reinforces the values and qualities that you want them to have as adults. This book goes a long way to establishing the sort of relationship where children actually hear what their parents are saying, and even look to them for help and guidance!
