Il profumo dell'Italia in valigia (Cucina) (Italian Edition) Cetta De Luca

Questo è una sorta di diario semi-serio di cosa accade quando una madre che ha origini meridionali (ma credo sia lo stesso per qualunque madre) si separa dal figlio per un periodo non quantificabile. Le raccomandazioni, le preoccupazioni, l'ansia e il dubbio: "Hai mangiato"? Questo è il legame indissolubile: il cibo. Noi madri, nutrici per sempre, sappiamo che dal seno alla tavola i nostri figli saranno legati a noi attraverso le suggestioni dei profumi e dei sapori. Una sorta di allattamento costante. Da questo allattamento costante che spesso produce uomini immaturi, può scaturire un'opportunità, quella che nasce da un distacco causato dalle necessità dei giovani di trovarsi una loro strada in questi tempi di crisi. È l'opportunità di andare anche oltre lo svezzamento e mantenere saldo il legame tra una madre e un giovane uomo finalmente adulto e libero, attraverso la narrazione del cibo.
