**From a recovering “leadershipaholic”: our best model is the first one.**

With all our sleek ministry models, it’s a wonder our churches are declining—until we read Acts 6:4, “But we will give ourselves continually to prayer and the ministry of the word.”

After a long, sometimes trying ministry journey, Daniel Henderson was relieved to discover what the apostles knew from the start: The main thing must stay the main thing. It worked in their pagan times, and it will in ours.

*Old Paths, New Power: Reviving Our Churches through Prayer and the Ministry of the Word* calls us back to the tried-and-true: pray and proclaim the word.

Henderson, who leads a growing church revival ministry, guides you through the essentials of sparking a spiritual renaissance:

- Be a leader who walks with the Lord
- Develop a strong prayer culture in your life and ministry
- Preach with unction, dependence, and integrity
- Equip every saint for the work of the ministry
- Embrace the sufficiency of the gospel

Our churches don’t need fresh models and fancy things; they need the Holy Spirit, and He rains down when we pray and proclaim the word. Read *Old Paths, New Power* and follow God’s master plan.
