Portrait of a Monster: Joran van der Sloot, a Murder in Peru, and the Natalee Holloway Mystery Lisa Pulitzer, Cole Thompson

From a pair of New York Times bestselling authors with unparalleled access comes an in-depth account of the manhunt for Joran van der Sloot, one of the most reviled accused criminals in the world

In May 2005, Natalee Holloway disappeared from a high school trip to Aruba. Five years to the day later, twenty-one-year-old Stephany Flores was reported missing in Lima, Peru. Implicated in both crimes was one young man: Joran van der Sloot.

A twenty-three-year-old Dutchman, Van der Sloot has become the subject of intense scrutiny by the media and the public in the years since 2005. He was arrested and detained by Aruban authorities in connection with the Holloway disappearance, only to be released after questioning. In 2008, during a Dutch sting operation, he admitted to being present for Holloway's death---but later recanted his statement.

In 2010, on the five-year anniversary of her disappearance, a young business student in Peru named Stephany Flores disappeared, only to be found dead three days later in a hotel room---registered to Van der Sloot. He was arrested for the murder and confessed, but he later claimed he was coerced.

This is the first book to offer a probing look at the man tied to two of the most sensational cases of the decade. It draws from:

- Interviews with members of the families of Joran, Stephany, and Natalee
- Never-before-seen photographs of the crime scene in Peru, fingerprint files, hotel records, and more
- Internal communications between Interpol, the FBI, Aruban officials, and officials in Chile and Peru
- Never-before-seen police files from Chile, Peru, and Aruba

Portrait of a Monster offers an unflinching look into the workings of an international manhunt and a chilling portrait of an alleged killer.
