The Genesis of Whole Body Health encompasses the oral environment, nutrition, detoxification, and influences of electromagnetism on the brain. The integrity of the oral environment, along with the brain and sleep, has a multifunctional affect on health and wellness. Sleep is interwoven with all the physiologic functions of the body, especially the immune system from the brain stem. Spirituality and whole body health are interwoven. The Creator is the source of the heart-brain-mouth connections, and His supernatural power lives inside us.
