Choosing to Wait

Choosing to Wait Laura Gallier

This book goes beyond boundary setting, and instead empowers parents to cultivate convictions in their children so they can stand strong when faced with temptation. While other books focus on modifying a child's behavior, this book gives parents the power to ignite lasting character transformation in their kids. Parents are equipped to effectively convey truths through a healthy discipleship connection. Author and mother of three Laura Gallier focuses on three critical areas: Preparation, Application, and Motivation. She guides parents and children into a biblical understanding of the purposes and sacredness of sex within marriage as well as the realities of sexual sin. She also provides practical tools to assist parents in this sometimes awkward (but very crucial) life issue. Arm your kids today with emotional, spiritual, and physical ammunition that will keep them from making the wrong choices.
