Contextualization of Project Management Practice and Best Practice

Besner Claude, Brian Hobbs

Contextualization of Project Management Practice and Best Practice Besner Claude, Brian Hobbs
Contextualization of Project Management Practice and Best Practice contributes to a better understanding of project management practice by investigating the use and usefulness of project management practices, tools, and techniques. The study examines practice variations among organizational, project management, and project contexts and performance. The use of project management practices, tools, and techniques is seen here as an indicator of the realities of practice.
